

FOSTERING A GROWTH MINDSET *IN MATHS*

INSTEAD OF	TRY THINKING 
I'm stuck	What do I already know? What am I missing?
<i>I hate challenges</i>	<i>I learn best from challenges!</i>
I'm finished	Is there a different way I could have done things?
I made a mistake	Mistakes are a great way for me to learn!
I'm not a maths person	There's no such thing as a maths person. Everyone can succeed at math!
I'm too slow	Maths is about more than speed. Some of the best mathematicians are slow and methodical
I'm behind my peers	They were once where I am now
